# MAKE YOUR GRANTS APPLICATION AND REVIEW PROCESS SIMPLE

Save up to 80% with special group pricing

## **Streamline your grants program**

Submittable makes it easy to collect applications online, and then review them with your committee—all from one easy-to-use portal.

## **Fast and easy to get started**

Every package includes Impact100-specific form and review templates, instructional videos, and one-on-one training to keep everyone on the same page.

## **Create a great applicant and volunteer experience**

Keep applicants, administrators, and volunteer committee members happy with a process that's intuitive and saves them time.

“

Submittable is user-friendly, intuitive, and has streamlined all aspects of the grant review process. Nonprofits find it easy to submit their applications and focus area committee members have the ability to review, score and communicate electronically, saving hours. Plus, the customer service is responsive and the cost is beyond reasonable. I recommend all Impact 100 chapters consider Submittable as their grant review platform!
